FALL—WE RETURN TO BEGIN A NEW YEAR

Volume 44, Published by The Tatler Staff Alton Senior High School, Alton, Ill.

# A Picturesque Tour Through the Three Seasons

## FALL

With fall came the dawning of a new semester. With fall came the joys and sorrows of another thrilling football season. It also brought new students bewildered at the entanglement of room numbers and the maze of hallways. The corridors of Alton High again rang with the laughter of the students anxious to renew old acquaintances and buckle down for another year's work.

## WINTER

Winter was soon upon us in all its majestic beauty. Inside the snow-covered building sat the industrious students deeply engaged in the year's work. The winter contained many happy events including dances, plays, basketball games, and a wide variety of activities.

Don't  
Remember that crazy  
play we put on in  
A. S. class. Also remember  
our buddy manager.  
M. Gill.

# *At Alton High, Conducted By the Tatler Staff of 1948*

## SPRING

Basketball season ended, and in its place appeared many ambitious track candidates. The band concert, the reappearance of students on the campus, and the open windows were sure signs of the approaching spring. It brought hopes and plans of graduation; it brought the completion of another memorable year at A. H. S.

## PEOPLE

The people of a school compose its very life-blood. The school board administration and faculty are all of equal importance in providing the youth of our community with the best education possible for the modern day.

*Come with us now as we  
journey through  
the year . . . .*

*Dear Don  
remember me from  
Grade School, East Jr.  
and A.H.S. Good Luck  
Dale Ogden*

## *Fall*

Viewing the out-of-doors through one of the windows of the building, one can thrill to the exotic beauty so abundantly displayed by nature in the autumn season.

"The melancholy days are come, the saddest of the year.

Of wailing winds and naked woods, and meadows brown and sear."

William C.  
Bryant

## *Confusion Reigns the First Day of School*

Handing out guidance sheets indicates the beginning of a new year.

Looking up room numbers always presents a big problem.

## *But Our Deans Offer Friendly Advice*

The beginning of each semester brings students who are faced with inconvenient study schedules and who wish their program cards changed. Miss Tibbetts does her part in helping the girls adjust their cards.

The boys seek the assistance of Mr. Harlan when having program difficulties.

Mrs. Persing gives kindly counsel to two new students who are entering our school for the first time.

*And Mr. Leamon's Door is Always Open to Us*

Early this fall Mr. Leamon was appointed principal of Alton High School to succeed Mr. J. B. Johnson who became superintendent of schools; Mr. Leamon has proved himself to be fair and square in all of his dealings with students. He is always willing to aid those having difficulties.

*During the Noon Hour on Sunny Fall Days  
We Gather on the Campus*

Our campus has always been one of admirable beauty and a favorite place to spend leisure time.

Half the fun of going to school . . .

Why can't it be like this all the time?

## *Our Parents Came to School During Education Week*

It was a new experience for all when our parents came to school one evening to see the students and teachers carry on two class hours in a normal manner. Although there was at first an atmosphere of uncertainty, the visit proved successful and beneficial from both social and educational standpoints.

Heredity sure runs strong in your family, Scotty!

The art room was crowded with parents learning to make plastic jewelry which they wore home on their coat lapels.

Mr. Wools and his class kept curious parents interested with chemical experiments.

## The G. A. A. Initiate Their Candidates and the National Honor Society Sponsors Packing Overseas Christmas Packages

The G.A.A. new look?

The National Honor Society took over the job of supervising the collection of gifts for unfortunate children in Europe under the auspices of the World Festival for Friendship. The project was very successful as the photos here reveal. It meant a merrier Christmas for our European friends.

The Art Class takes time off to pack a Christmas box . . . .

. . . and it goes to Europe via Miss Gates' Room.

## *We Begin Taking Tatler Pictures and Also Our Banquets Get Under Way*

We begin our trips to the Tatler Rogue's Gallery. "Our boys sure look purty all dressed up for their once a year appearance in front of the camera!"

Food and Conversation go hand in hand at the Quill & Scroll banquet.

## *Football Training Begins Early and is Strenuous*

Coach Jackson puts the squad through light drills and heavy "skull practice" days before the first big game.

## There is Plenty of Excitement at Night Games

These pictures show Alton High in action. There is little wonder why the Alton crowds received so many thrills when attending these hard-fought football games.

Becker and Scroggins move in for the kill.

A hush fills the Alton stands as disaster strikes on the field.

Moore arrives too late as a Kahok is grounded.

## *The Boys End the Season With a Big Feed*

At the end of the football season every year, our gridiron heroes are rewarded by the school with a banquet. These fellows show their delight, and, may we add, their appetites, too.

Tell another story, Nick!

Trays were loaded with turkey.

The table groaned with food.

The boys groaned too, by the time they put it all away !!

Everybody enjoyed Jim Rice's cartoons which were featured at the banquet.

### FIRST SQUAD

Back Row: Jack Stauffer, Gene Hicks, Harry Gaghen, Howard Nash, Don Ingram, manager.

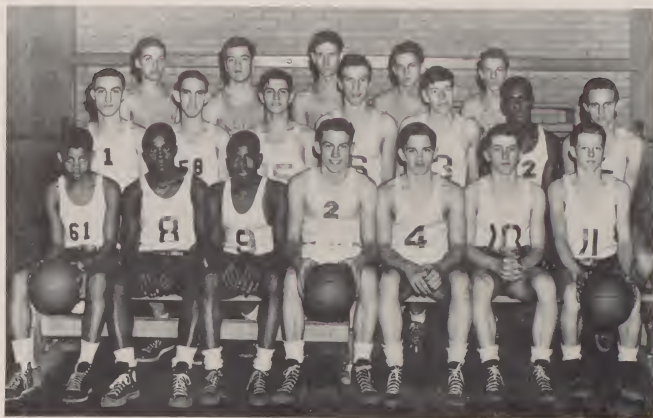

Front Row: Tom Dunphy, Bob Becker, Wayne Fisher, Jim Mitchell, Don Kuhn.

Our basketball team had a discouraging season. They could have easily given up many times, but the opposing team never found the game a pushover. Each member did his best; and, as a body, they had a fine spirit of team-work.

So, the students of Alton High salute you!

## *We Do Work Sometimes --*

Our classes are production lines of future engineers, chemists, dress-designers, etc. Probably more important, they develop personalities. Such virtues as patience, precision, and accurateness are born and developed.

Here we also share the companionship of our fellow-students and learn to be good citizens through working together.

## *Christmas Time is Party Time*

The January graduates had a series of fine parties. This one took place in 216 and, judging from appearance, it must have been a wonderful success!

Get off my toes, George!

The Thespians had a small party at the home of Paige Waggoner, the president. Coke, and candy were served as refreshments, while gifts were exchanged among the members.

Hey kids, look what I've got!

Miss Tibbett's office help enjoys an informal coke party after school.

# Alton High Christmas Assembly

## "CHRISTMAS TABLEAUX"

With winter comes Christmas, and we all look forward to our annual Christmas program. This year it consisted of eleven picture scenes presented as tableaux. Behind the curtain was the buzz and mumble of excited actors; but, as the curtain raised, the coughs and whispers faded into a hushed silence. After all the worrying, the tableaux were a success. Here are three scenes which will help you remember Christmas of '47'.

"Under The Mistletoe" with Juanita Helmkamp and Leland Kreid.

"Christmas Dinner" with all eyes intent on the pudding.

"The Carolers" left us in a joyful Christmas spirit.

## Royalty at Alton High School

VIOLA NEUHAUS

The gifts they received are: a radio, 2 pairs of shoes, an Elizabeth Kent cosmetic kit, 2 Prixie bracelets, 2 dresses, a flash bulb camera, Princess Teen bracelets, a fountain pen, 1 sweater, 6 pairs of hose, and 3 orchids.

The girls also received a free modeling course at Patricia Stevens in Saint Louis.

They had access to the Chase Club, Zodiac Room, and the Crystal Terrace during the day.

At twelve that evening, like the story of Cinderella, the girls and their escorts were taken home in the Black and White Cab which had been at their disposal all day.

### PRINCESS TEEN

This year two of our fair young maidens received the distinguished honor of being crowned "Princess Teen" on the Gil Newsome sponsored program of the same name, broadcast from KWK. The girls received various gifts which are shown in the picture. A suite at the Hotel Chase and a Black & White Cab were at their command for the day. The biggest thrill of the day was perhaps that both girls were allowed to choose a fellow whom they named as "Prince Teen." Carlee Chester was "Princess Teen" on November 1st. Viola Neuhaus was "Princess Teen" on November 15th.

# *The Chorus*

DIRECTED BY MISS FERRELL

## THE MUSIC DEPARTMENTS OF OUR SCHOOL

Alton Senior High School is proud of its two musical organizations—the band and the chorus. The band is under the direction of Guy Duker, who has done an excellent job of directing it for the past five years. The chorus is directed by Vivienne Ferrell, who has been with us for two years.

The band gave an annual spring concert along with a concert during the Yuletide season. In the springtime, the band, which is classified under class AA, entered the district contest, and for two consecutive years has won a first division rating, advancing to state. Also several individuals obtained a first with their solos and ensembles. Under the leadership of Guy Duker, the band has steadily increased in size until it now has a membership of eighty-five and it will probably increase even more in the future.

The chorus participated with the band in giving a Yuletide concert. The chorus has given the students of Alton High several very fine assemblies, especially their presentation of Stainers "Crucifixion" at Easter. We are sure the chorus is doing a fine piece of work and they are to be congratulated.

# Our Dramatic Club Presents Its Spring Play-- March 23

Dear Don,  
never forget  
third house  
and band and  
rest of town  
ghost house.  
It was one of the  
best memories ever  
printed by the  
Dramatic Club.  
such  
of luck  
Sarah  
Richards  
P.S. Best of  
luck to your  
'water' too.

The jewels are  
discovered and ev-  
ery one seems in-  
terested.

## The Mardi Gras of 1948

The king, Nick Bavas, sits on the throne with his chosen queen, Mary Tchoukaleff. That sure is a mighty sad clown sitting before them.

Some of the crowd gathered around in small groups unconcerned about their ridiculous costumes.

Lower left: "Happy" Metzger and "Smiley" Gelzinnis made excellent clowns and were dressed appropriate to the occasion.

Lower right: Harold Sparks and Pat Baitty swing a mean Charleston at the Mardi Gras.

## Our New Student Council Officers

JACK STAUFFER, Vice-President and HARRY GAGHEN, President

This spring the junior class nominated the following candidates for student council officers for 1948-49: Harry Gaghen, Jack Stauffer, Dorothy Jean Elfgren, Carl Mayer, Viola Neuhaus, and Marlene Tate. After a spirited and well-organized campaign, Harry Gaghen and Jack Stauffer emerged as President and Vice-President, respectively.

## *The 1947 Letter Men*

Back Row: Carl Mayer, Chas. Conley, Bob Becker, Eugene Hook.

Front Row: Oliver Rose, Roy Oller, Evan Dean.

A new face was seen this year on the Redbird oval. It belonged to Pete Stavros, the new track coach. Coach Stavros proved that he was well qualified for this position by running boys who were in tip-top condition. His chief aim throughout the season was to train personally each boy in the event or events for which the boy was best suited.

Returning veterans who set the pace for the younger inexperienced athletes this year were: Oliver Rose, Carl Mayer, and Roy Oller in the dashes; Evan Dean in the 880; Charles Conley in the mile; and Bob Becker whose specialty was the hurdles. It was up to these boys to help Coach Stavros field a winning squad.

The Redbirds had a fine schedule this past season of ten meets. They were as following: April 8, at Edwardsville; April 17, at Granite; April 21, at Edwardsville; April 24, Conference Relays at Belleville; April 29, at Roxana; May 1, at Dupu; May 4, at Wood River; May 8, District at Granite; May 17, County Meet at Roxana; and May 22, Conference Meet at Granite.

## *To Our Advertisers*

The students of Alton High School wish to express their appreciation to the businessmen of the Alton Area who have made the publication of this 1948 Tatler possible.

## STURDY GROWTH

Since, as a little tot you trudged to school on that memorable first day, you have not only grown in physical stature, but by your own consistent and persistent efforts, you have, like the sturdy oak that sprung from an acorn, made notable growth in mental stature.

Your life and the world is full of records. Basically, they represent success or failure, but facing the world after graduation, you have the assurance that your record thus far has been crowned with success. This means you have been honest, industrious, dependable, loyal and steadfast in duty to your school and your assignments. These character traits, if continued, should carry you far.

Owens-Illinois takes this opportunity to congratulate you on your attainment thus far and wishes you a future record in which you can take just pride, as we at Owens-Illinois take pride in our record of seventy-five years of steady, sturdy growth and continued improvement in employee relations and community respect.

## AHEAD LIE SHOALS ...AND TREMENDOUS GOALS

Today America has the job of giving its way of life new length, breadth and lustre. And what a job it is! Problems aplenty. But problems produce resourcefulness—offer incentive for still other far-flung goals.

The people of Olin Industries have a zest for what's ahead. They've always fostered free enterprise. They'll not now rest on their oars.

We of Olin Industries are busy supplying more and better explosives for the expansion of transportation arteries, land reclamation and water power projects. Improved firearms and ammunition for sportsmen are coming from our plants. Tailor-

made metal alloys to do myriad jobs on 'planes, trains, ships and motor cars roll from our mills. Each nightfall sets thousands of our flashlights to winking . . . and sturdy batteries pull radio entertainment out of the air for folks far from power lines.

Contributing to Your  
Protection, Comfort  
And Well-Being.

Today, the people of Olin Industries are proud of the protection, comfort and pleasure that their present products offer to millions of Americans. But, they are prouder still of the fact that of all that they have to offer, nothing is in greater abundance than ingenuity, integrity and good, old fashioned hard work.
